Well, let's get started with it today (please don't make us sit through more than 30 minutes of gundown!), then we can just recap for Ben and finish any unfinished conversations during that Wednesday meeting.

I was planning on the core team meeting in place of our meeting with private sector board members Wednesday morning at 8:30. That way, Ben can attend.

Who all is coming to the gun down meeting today? and do we need the full 90 minutes or could we meet with Bishop for 30 minutes then have our core team meeting without him?
